MATH NIGHT

Coolidge School

Tuesday, January 26, 2016

6:30 pm – 7:30 pm

Parents, Guardians and Coolidge Students
Please join us for an evening of investigation.

Many teachers from all levels have planned a special evening of hands-on learning for students and their families.

Come learn about Math In Focus and strengthen your skills.

Leave with some math activities for more fun at home~ and maybe even a special prize!

You'll get to see how we are using interactive whiteboards, online resources, problem solving opportunities and math games to provide individualized, meaningful practice and challenge in math.

We will have engaging plans and materials waiting, all we need is you!
